

Dear Sir/Madam,

The OTTER team has the pleasure of inviting you to the conference:

**Beyond the classroom: rethinking STEAM education**  
**NH Brussels Carrefour de l'Europe Hotel, Brussels, Belgium**  
**15 February 2024**  
**10:00 to 16:00 CET**

The conference is organised with the support of the [Open Schooling Together](#) network and it will explore the pathways to advancing STEAM education in Europe, with a focus on innovative practices and methodologies that can be applied in real-life settings to foster students' interest in science and sustainability. The event is designed to bring together education experts, researchers, educators and policy makers to connect and exchange good practices.

Please note that this will be a free of charge face-to-face event.

**Register and read more about the event at:** [bit.ly/Beyond-the-Classroom-Conference](https://bit.ly/Beyond-the-Classroom-Conference).

For further information, you can contact:

Kindest regards,

The OTTER team

#### ABOUT OTTER

- EU-funded project centred around the Education Outside the Classroom (EOC) methodology
- 7 partners (Hungary, the Netherlands, Ireland, Cyprus, Spain, France, Finland)
- Developing tools and resources to guide teachers in implementing EOC activities with their pupils
- Focus on environmental education and sustainability, especially plastic waste reduction

#### MAIN PROJECT RESULTS

- [OTTER Hub](#) - a platform for teachers to connect and exchange best practices
- [OTTER Learning Platform](#) - a repository of materials to help teachers conduct EOC activities
- [OTTER Map](#) - an interactive map outlining the EOC sites and programmes in Europe
